Tobacco Institute of Australia,

Dear John,

RE: NCADA, DRAFT STRATEGIC PLAN

Enclosed please find our comments on TIA's draft letter and submission regarding the NCADA Draft Strategic Plan. In brief, we tried to shorten the submission and change the focus of the letter to some extent. With regard to the "Passive Smoking" section of the letter and submission, it might be sensible for Glenn to have a look at our suggestions.

We have retyped the letter and simply "marked up" the submission believing that would be most convenient for you. Please let us know if we can provide any further assistance.

Best regards,

GREGORY L. FOWLER
